Intrucco dell'Amicizia

Solo l'unione di più elementi ha permesso la creazione di questo "Dolce".
Una collaborazione sincera tra più aziende del territorio, la ricerca di sapori unici, l'utilizzo di ingredienti naturali selezionati fra quanto di meglio offre il Nostro Bielese, sono diventati la giusta ricetta per identificare un dolce, un luogo e la gente che lo vive. L'utilizzo del "Licorito Madre" per cinque impasti e 36 ore di lioctazione naturale. La fantasia nel preparare tre filoni con gusti diversi (ratafia, mentoli, lamponi e cioccolato) ha permesso di formare un intrucco colorato, soffice e profumato, che ci unisce anche nella solidarietà per un luogo "Sacro" come il Santuario della Brughiera.

Ingredienti: Sodio di grano tenero tipo "0" - Burro - Zucchero - Tuorli d'uovo -
